

## IMH Development Council Mission

The Development Council of Iroquois Memorial Hospital is a volunteer organization whose mission through promotion, education and communication, raises a constant flow of charitable contributions for the Iroquois Memorial Hospital health system.

The Development Council was established in 1991 and has raised over \$8 million to support past and current building projects. With this type of support, Iroquois Memorial continues to grow and meet the needs of the communities they serve.

## IMH Development Council Vision

Expand regional support to ensure healthcare excellence.

## Completed Projects

- Hospital Helipad
- Innovative Surgical Center
- Transfer Ambulance

## Committee Members

John Bell, Bob Burd, Dr. Nick Burns, Larry Burton, Roger Dittrich, Michelle Fairley, Steve Knapp, Jennifer Nasers, Diane Natschke, Rhonda Pence, Stacey Smith, and Michael Tilstra.

then choose "Development Council".

## IMH DEVELOPMENT COUNCIL Gifts of Grain

The Iroquois Memorial Hospital Development Council is launching a “Gifts of Grain” donation drive to support building a state-of-the-art Rehabilitation Therapy Center which will serve as a hub for physical, occupational, speech rehabilitation and wellness. They strive to provide cutting-edge services to enhance the life of patients recovering from injuries or managing chronic conditions. As demand for physical therapy continues to grow, especially in rural communities like ours, this facility will be critical in helping our neighbors regain mobility, return to work, and maintain independence without needing to travel long distances.

Your contribution will make a lasting impact on the lives of those in your community and help us realize our shared vision for a healthier and more vibrant future.

## Gifts of Grain

With our “Gifts of Grain” fundraiser, farmers can make a charitable donation to Iroquois Memorial Hospital by directly transferring ownership of their harvested crops. This approach offers substantial tax advantages. You can deduct production costs and exclude the sale of the grain from your income, which can lower taxable income and potentially reduce self-employment and overall income taxes.

Iroquois Memorial Hospital and Resident Home is a 501(c)(3) charitable foundation, making all donations tax-deductible to the extent allowed by law. Please note tax benefits apply to the year in which the gift is made.

## Giving Process

To participate, simply complete the enclosed form, indicating the desired number of bushels of corn or soybeans you wish to contribute, along with your personal information. Return the form to your grain elevator(s). The elevator(s) will in turn process your request and submit the check to the Iroquois Memorial Hospital Development Council to benefit the Rehabilitation Therapy Center.

Name: \_\_\_\_\_ Phone: \_\_\_\_\_

Address: \_\_\_\_\_

City: \_\_\_\_\_ State: \_\_\_\_\_ Zip: \_\_\_\_\_

*It is my intention to contribute to the IMH Development Council through the “Gifts of Grain” program.*
