## Iroquois Memorial Hospice Brunch Success

We are incredibly excited to announce we had a very successful Hospice Brunch and Silent Auction back in April!

Thank you to all who donated baskets, commodities, and time helping with the event. We had a great turnout, and couldn't be more grateful to have the opportunity to see all of our Iroquois Memorial Hospice friends, families, and community members. We hope to see you all again next year!

## Congratulations to Iroquois Memorial Hospice!

IMH Hospice is a 5 star agency according to Medicare's family and caregiver survey ratings located on Medicare.gov care and compare website. Not only did IMH Hospice receive the top score, we are THE ONLY AGENCY in our area that received a 5 star rating! IMH Hospice scored above the national and state averages in every care category assessed. Our professional staff dedicate themselves to providing the highest quality care possible to our patients and your loved ones, and our 5 star rating is something we are so very proud of!

## June is Alzheimer's & Brain Awareness month

Join the Alzheimer's Association in going purple and raising awareness. #ENDALZ

History: In 1906, German physician Alois Alzheimer described the case of Auguste Deter, 50 year old female, with profound memory loss. This was the first documented case of Alzheimer's disease, although it was not called so then. In 1983, President Ronald Regan initiated the observance of Alzheimer's and Brain Awareness Month to raise awareness about the disease and get people involved in recognition of the diseases as well as the types of care required by someone suffering from it.

## Memorial Pillows

Iroquois Memorial Hospice recognizes the importance of preserving the memories of loved ones that we have lost. Iroquois Memorial Hospice offers a way to treasure and preserve the memory of your loved one by making a pillow from an article of their clothing. By providing us with a shirt, we will sew a pillow filled with love and memories for you to cherish. For more information, please contact Traci Bishop at 815.432.0185.

## Quilts of Hope

IMH Hospice has many quilts displayed throughout the office in honor of patients that we have lost, called the "Hall of Quilts". If you would like a quilt square to decorate in memory of your loved one, please contact Traci Bishop at 815.432.0185.
