Are You Interested in Volunteering?

We would love to have you join our team!

.....
We are seeking caring people who are interested in a rewarding opportunity. Our volunteers profoundly affect the quality of our resident's lives. Volunteers perform a variety of duties that include companionship, socialization, game playing and much more! For volunteer opportunities, contact Jade, Activity Director, at 815.432.7920.

February 2022

Winter Activities

As you may know, we saw a change in leadership at Iroquois Resident Home in January. We are excited to announce our new Administrator, Linda LaVoie has joined us. Additionally, we have recently promoted Joyce Espinoza as our new Director of Nursing, and Heather McCullough has our new Assistant Director of Nursing. Unfortunately, January did see a covid outbreak in our facility. However, our residents kept busy during their down time with a variety of games and activities. They even were able to continue to play their favorite game, Bingo, while socially distanced. One of our residents, Pat Cluver, celebrated her 60th Wedding Anniversary to her husband, Dean, this January. We surprised Pat and Dean with a small wedding cake and sparkling cider, along with a gift to celebrate their anniversary. Dean brought photos of their life together to share, and their friends here in the resident home came by to celebrate and congratulate them. Currently, our residents are back to being covid free!

Donations Requested

We always welcome donations for our Bingo prizes. Popular prizes include small bags of chips and puffed corn, candy, mints (especially the type that melt in your mouth) and word search books. If you do not feel like shopping for the prizes yourself, monetary donations to go towards bingo prizes are happily accepted as well. Donations can be dropped off any day.

Time with Your Loved One

You may take your loved one out for a family outing, we just ask that you be cognizant of exposure and keep in mind that if you have an outbreak from your family outing, you risk an outbreak for 30 elderly residents in our facility. While we want you to spend quality time with your loved ones, we just ask that you are smart in regards to any possible exposure.

A few of our amazing staff members representing Iroquois Resident Home since Iroquois Memorial Hospital was named Watseka Area Chamber of Commerce Business of the month in January!

COVID-19 Update

We continue to allow our residents to visit with their family and friends! Visitations are no longer time restricted nor is there a limit on the number of visitors. Visits no longer need to be scheduled. Visitors and residents may touch, but surgical masks are mandatory at all times. Visitors may not wander the facility or come within 6 feet of other residents.

If you are unable to visit in person, we still welcome virtual visits and phone calls anytime! If you would like to set up an appointment for a video chat, please contact Jade, Activity Director, at 815.432.7920.
