

Patient Financial Assistance Program

Completing this application and providing all required documents will help IMH determine if you qualify for discounted services or other public programs that can help you pay for your healthcare. Please complete the following form and submit to apply for free or discounted care within 90 days following the date of discharge and receipt of outpatient care.

To qualify, the services must be medically necessary.

The following are **not** considered medically necessary:

Cosmetic Services, Bariatric-related Services, Elective Services, Services not received at an IMH facility, Services deemed non-covered by Medicare, whether or not the patient is covered by Medicare.

Financial assistance is **not** typically available for:

Insurance copayments, Insurance deductibles, failure to comply with reasonable requirements such as obtaining authorizations or referrals and individuals who opt out of insurance coverage. You will still be asked to pay your insurance copay and deductible at the time of service. The availability of financial assistance is not a substitute for personal responsibility.

To be considered for financial assistance you **must provide** the following:

- A completed and signed Financial Assistance Application
- **Proof of Income** (Please provide each of the following or an explanation of why not provided)
 - Federal Income Tax (1040) return(s) for your household for the most recent calendar year. (If claiming spouse/dependents, they must be listed on the 1040)
 - o Bank Statements of all bank accounts for the last 3 months.
 - Three (3) most recent pay stubs or a statement from your employer regarding your income.
 - If **self-employed**, please provide a copy of your last quarter's Business Financial Statement along with the previous year's Business Tax Return.
 - Unemployment statement showing denial or eligibility and amount received.
 - If retired, Social Security benefits and any pension.
- Patients indicating they have no income must provide information as to how they are currently supporting themselves.
- Identification:
 - One form of identification (i.e. driver's license, government issued photo I.D., birth certificate or passport)
- Any other information that demonstrates financial hardship or need for financial assistance. (i.e. public assistance award or denial letters, letters of support, etc.)

IF YOU ARE UNINSURED, A SOCIAL SECURITY NUMBER IS NOT REQUIRED TO QUALIFY FOR FREE OR DISCOUNTED CARE.
